Ist das MSI H81M-E34 mit OS X Kompatibel?

Beitrag von „al6042“ vom 26. Dezember 2015, 13:59

Ausserdem sind beide Geräte in deinem Screenshot aufgeführt:

The screenshot shows a system information window with two tabs: 'System' and 'Hardware'. The 'Hardware' tab is selected, displaying a list of hardware components. The list includes the following items:

Device	Model	Manufacturer	Version	Serial Number
Processor	Intel Core i5-4570	Intel	0000000000000000	0000000000000000
Memory	8 GB	Crucial	0000000000000000	0000000000000000
Storage	1 TB	Seagate	0000000000000000	0000000000000000
Network	Realtek RTL8111E	Realtek	0000000000000000	0000000000000000
Audio	Realtek ALC887	Realtek	0000000000000000	0000000000000000
Graphics	Intel HD 4600	Intel	0000000000000000	0000000000000000
Keyboard	Apple Keyboard	Apple	0000000000000000	0000000000000000
Mouse	Apple Mouse	Apple	0000000000000000	0000000000000000
