

Erledigt Mac Pro 2009 upgrade

Beitrag von „Roman78“ vom 22. Dezember 2017, 10:55

Nice.

I just startet on a MacPro 3.1, total cost of 90 Euro for the MacPro and 45 Euro for the Risers. So only 135 Euro's.

You can upgrade it whit 2 Six cores CPU's. A List could be found here:
