Bin jetzt zwar erst 3 Wochen dabei, aber habe schon unglaublich 153% Gewinn gemacht und 2018 wird das Jahr der Altcoins!...

The screenshot shows a mobile application interface for a crypto wallet. At the top, it says 'Cryptoport' and 'Waldete'. Below that, it displays a total value of '3.002 EUR'. Underneath, it shows a cost of '1.183 EUR', a change of '+153,8', and a realized profit of '+1.819 EUR'. The main section is titled 'Exodus' and shows a total value of '3.002 EUR'. Below this, it lists holdings for MOTA, LTC, ETH, and BTC. MOTA has 250 units at 4,805 EUR each, totaling 1.201 EUR. LTC has 2.000 units at 304 EUR each, totaling 607,71 EUR. ETH has 0,399 units at 716 EUR each, totaling 285,68 EUR. BTC has 15,401 units at 16,41 EUR each, totaling 252,27 EUR.

Asset	Quantity	Price EUR	Value EUR
