Install Mac os high sierra on Asrock X99M killer

Beitrag von „Mak-2018“ vom 15. März 2018, 20:32

I made the changes as said, and I have another error message

```
DskAptioFix2Drv: Starting overrides for \System/Library\CoreServices\boot.efi  
Using reloc block: no, hibernate wake: no  
does printf work??  
-
```
