

## **B85-HD3 Problem (Здравствуйте!)**

**Post by “sergeylogachev” of Aug 27th 2018, 4:35 pm**

I in the second paragraph he wrote that .plist for drivers are in the EFI section. About the difference clover-ozmosis, the fact of the matter that settings are not different, but the difference in video card don't know what is, plus Clover is not necessary in the BIOS to disable the integrated video
