OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „helmett“ vom 23. Oktober 2018, 18:25

[Zitat von kuckkuck](#)

[user = '30672'] helmett There's already a ROM for your Ga-Z97X-UD7 TH available in our download section, I added the F7a BetaBios version. I do not know that Beta ROM, please use it on your own risk: [Ozmosis Mod for Z97X-UD7TH](#)

Thank You
