Erledigt Mojave Preview Bug

Beitrag von „rubenszy“ vom 24. Januar 2019, 12:51

Der Kext für LiLu wird dir weiter helfen.

Existing Lilu plugins

This for sure may not be a complete list. If you feel that something is missing, make an issue and it will be included. Please note that improperly written immature plugins will not be listed there.

Name	Short description
AirportBrcmFixup	Various patches for Broadcom Airport Wi-Fi cards
AppleALC	Native macOS HD audio for not officially supported codecs
ATHBKFixup	Various patches for unsupported Atheros Wi-Fi cards
