An exception of class KeyNotFoundException was not handled. The application must shut down.

Ok, dann läuft das Tool wohl nicht mit den Navi's, sorry. Mit meiner Vega läuft es jedoch.

A screenshot of a terminal window with a blue title bar. The title bar text is partially visible and appears to be "Load...". The terminal content is mostly black with some white text, which is mostly illegible due to the low resolution and blurring.

5T33Z0 Alles gut. 👍
