Die Käsereibe gibts bald zu kaufen - Hackintosh Case

Beitrag von „jeve stobs“ vom 10. Februar 2021, 10:56

fand folgendes zitat zutreffend von einem backer auf der indiegogo seite:

Just received in mail...

CHINESE NEW YEAR SALE

Happy Chinese New Year! To celebrate, we are offering \$30 dollars off of the Dune Pro starting February 10th to the 12th. Limited to 100 units.

So now you prefer with discounts who buys the case now? I find this a great offense and disrespect towards those who have been waiting for almost two years.
