

Problems with AMD Install

Beitrag von „fabiosun“ vom 1. Januar 2022, 18:24

1) can't say, it is not good but it is only solution to try

2)

3) this is not good

4)

5) you can try to disable it but also there you could have other problems without it with your GPU

usually purple screen is a fix pat problem..but if you have tried both..I have no more ideas

sorry
