## **Problems with AMD Install**

## Beitrag von "fabiosun" vom 1. Januar 2022, 18:24

1) can't say, it is not good but it is only solution to try
2)
3) this is not good
4)
5) you can try to disable it but also there you could have other problems without it with you GPU
usually purple screen is a fix pat problembut if you have tried bothl have no more ideas
sorry
