

Anleitung für Broadcom-WLAN-Patch unter macOS Sonoma

Beitrag von „Arkturus“ vom 6. Dezember 2023, 12:40

der OCLP 1.2.1 patcht bei mir die Fenvi T919 unter 14.2 Beta 4 bestens

Wenn die für ältere macOS BlueToolFixup.kext benötigst, dann mit MinKernel/MaxKernel arbeiten. [tidow](#)
