

Hackintosh AMD für Freund

Beitrag von „Charon233“ vom 4. August 2025, 16:26

ich habe mit dem tool opencore simplify geschaut

```
> OpCore-Simplify-main >
C:\Windows\system32\cmd.exe
#####
#                               #
#####
